

Draw a line from each of the written descriptions to the matching part of the apple.

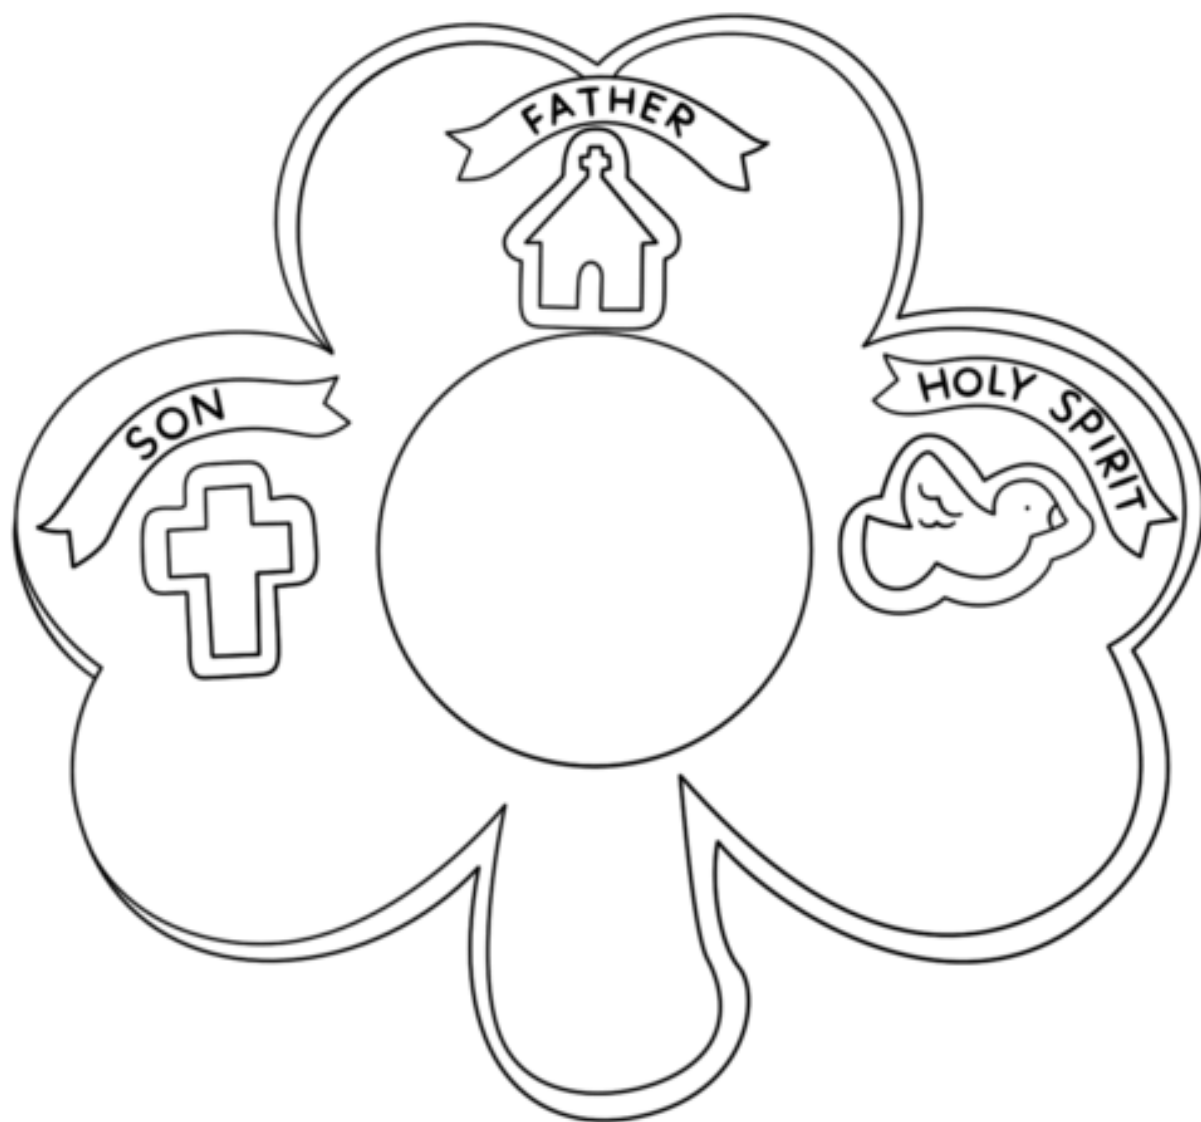

## The Holy Trinity – One God, but 3 persons

Just as the skin protects the apple, our Father protects us

As the flesh of the apple nourishes us, so does the body of Christ

The seeds of the apple are the sign of growth, just as the Holy Spirit helps us grow when we let the love of the Trinity be planted in our hearts

Then colour your apple

Glory to the Father, the Son, and the Holy Spirit: to God who is, who was and who is to come.
