“Blessed are those who have not seen and yet have come to believe.” John 20.29

I Believe – craft design

Choose a face to make your own.

Draw and colour hair, eyes, nose, mouth and anything else you want. Cut out the face and put aside.

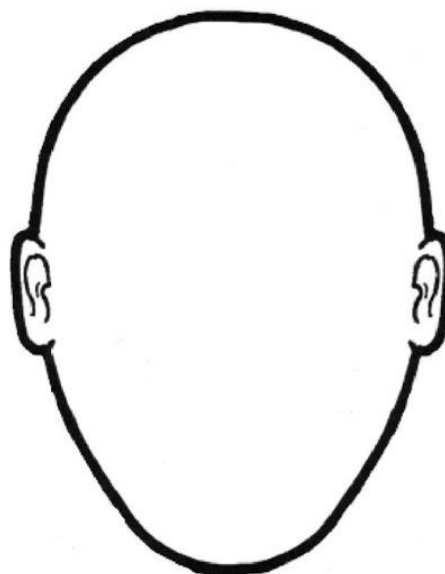

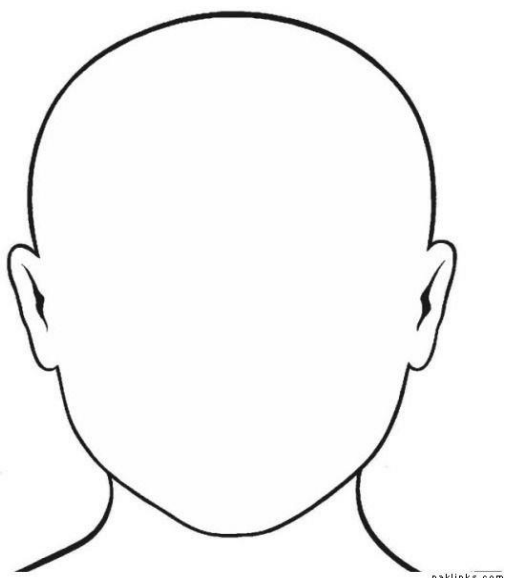

Cut along the dotted line so you have the two different word groups. Fill in the blank. Set the words aside.

Get a piece of white paper and trace your hands on the page wherever you want.

Make sure you leave room to add your face and the two sets of words.

Try putting everything on the page before you glue to see how it will all fit.

Draw a *heart in the middle of each hand* as a reminder of how much Jesus loves you.

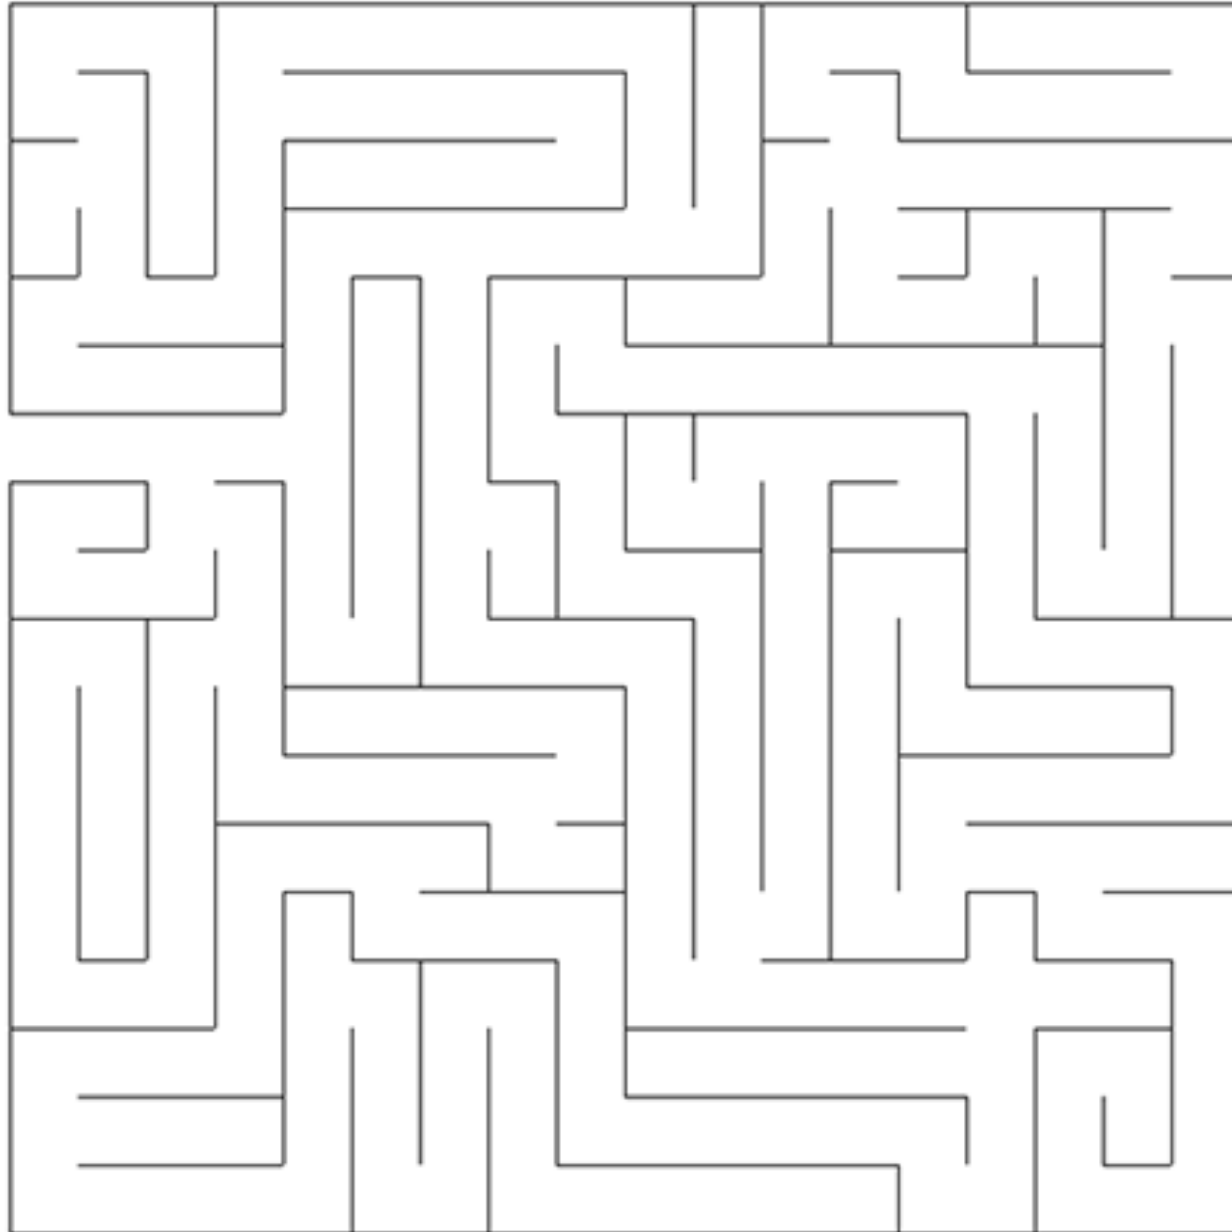

**Thomas would not believe that Jesus
had risen from the dead until he saw him.
We have never seen Jesus in person.**

But I _____

**“Blessed are those who have not seen
and yet have come to believe.”**

**From
Doubting**

**To
Believing**

**Can you help find the way from
doubting to believing?**

Then he said to Thomas,
“Put your finger here
and see my hands.
Reach out your hand and
put it in my side. Do not
doubt by believe.
John 20.27
