

No Vacation Bible School this summer

No Problem

**Join us on the parish Facebook page for
some St. Agnes Family Summer Fun**

**Do you like being creative, or exploring something
new?**

**Well, every Sunday from July 11 until August 29, your
family can log on to the St. Agnes Parish Facebook
page and find things to do, things to make, places to
go and people to see that relate to our beliefs,
scriptures, and traditions.**

**We will post the weekly activity, materials you might
need, what the activity is about, directions, links to
“how to” sites and other resources and how each
activity connects us to God, nature, and one another.**

**You can share your experiences and photos with us,
too.**

**Remember, log on to Facebook, and look for Saint
Agnes Catholic Church, Waterloo. See you July 11.
YEAH!!!!!!!!!!!!**
