Bookmark Instructions

Supplies: bookmark template or cut out, 2 hearts if you are using your own bookmark shape, glue, markers, pencil crayons or crayons, something to print the words on your bookmark, or print words from instruction page

1. Print off bookmark template including the heart or cut out your own bookmark shape
2. If you cut out your own shape (like a rectangle), cut out two hearts the same size to glue on the top of your bookmark
3. When using the template with the hearts, glue the two shapes together to make the bookmark sturdier.
4. If you use your own paper, use something like card stock and you will only need one rectangle but you still need 2 hearts – one for front and back
5. Print words on both sides of your bookmark:
 - a. Side 1 – Love your enemies
 - b. Side 2 – Treat others as you would want to be treated
6. Put your bookmark in your prayer centre or use it in whatever book you are reading

If you don't want to print the words, you can copy, cut, and paste the following:

LOVE YOUR ENEMIES

**TREAT OTHERS THE WAY YOU
WOULD LIKE TO BE TREATED**
