

Forgive others!

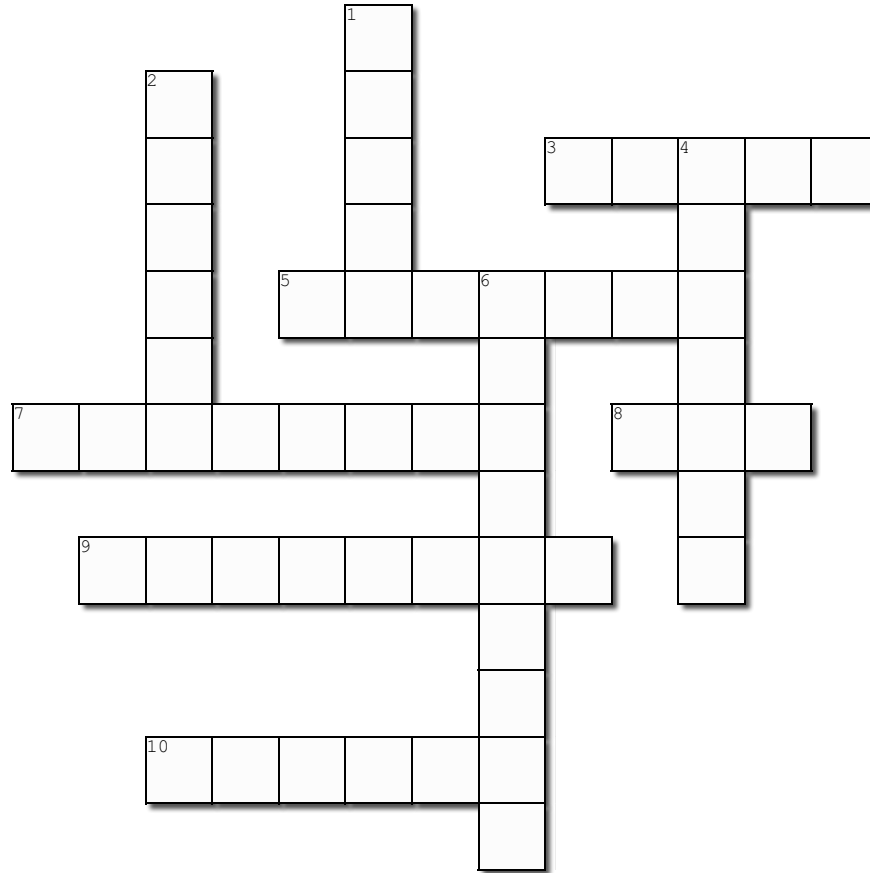

Practice your printing and colour the picture. Remember that Jesus loves you so much he suffered and died for you. Jesus forgave those who hurt him, doubted him, and turned away from him. We become better people when we face our mistakes, ask for forgiveness and do our best to understand others and forgive them for their mistakes. Colouring page from twisty noodle.

John 8.1-11

Jesus challenged the people to look inside their own hearts and remember that no one is perfect.

Kindness, understanding, forgiveness are gifts we can offer one another. Then we learn how to see Jesus in all God's creations.

Help the woman who was being judged find her way to Jesus.

Judgement Rock

If you decide to make a rock with the words from the gospel, make sure your rock is big enough for all the words.

I used a permanent black marker and then added some purple lines and a cross. You can decorate your rock any way you want but make sure you get the words on your rock first.

The words are:

**Let anyone among you
who is without sin
be the first to cast a stone.**

Then find a safe place in your prayer centre for your stone, so it can't fall off your table and land on your toes. Ouch!
